

Search & Recruiting

Our approach to sourcing and cultivating candidates is customized to our client partners' needs. In presenting talented, diverse pools of leaders, our work is intentionally inclusive, targeted and flexible. Our talent acquisition and retention practice is designed to increase the quality and diversity of candidate pipelines to fill leadership and staff member roles in the organization.

The reality of 2019 is that this is a candidate's job marketplace. We care deeply about our candidates and pride ourselves on their experience with Stronger Consulting.

Our interactions with prospective staffers and leaders keep individuals engaged with us, and reflect well on our partners.

Details on Process

We intentionally develop a customized approach for each search to increase the diversity and quality of each candidate pipeline and achieve the results you articulate.

We Work With...

- Schools
- School Districts
- Charter Management Organizations
- Youth-serving Nonprofit Organizations
